Mike's not in until Monday (Ex. 6 - Personal Privacy). If it's not clear on his calendar right now there won't be much time to fix or find another time. Mike is more important for this one than I am, but I think at least one of us needs to be there.

Thanks.

No problem, it was the only time that appeared to work for all of the key players. Hopefully it works for Mike B.

Thanks,

Claudia
